Dear Participant:

The Board of Trustees of the General Building Laborers' Local No. 66 Vacation Fund has made the following PERMANENT change in the distribution of your vacation benefit Annual or Semi-Annual check.

- If you choose ONCE a year your Vacation Benefit Check for the work period from July through June, will be paid to you the first week in December, each year.

OR

- If you choose TWICE a year your Vacation Benefit Check for the work period July through December will be paid to you the first week in July, and your Vacation Benefit Check for period January through June will be paid to you the first week in December.

Please feel free to verify receipt of your request, as there will be NO EXCEPTIONS or EARLY PAYOUTS except for those participants who retire or to beneficiaries of deceased participants.

Only those participants who choose TWICE a year payouts need to return the form to the Fund Office by May 15. If you do not return this form by May 15, you will automatically receive a check ONCE a year in December. In the future all changes must be done in person at the Fund Office, NO changes will be accepted by Mail, Phone, or Fax.

Should you have any questions, please contact our office for assistance.

I authorize the General Building Laborers' Local 66 Vacation Fund to pay my Vacation Benefits two (2) times, once in June and once in December of each year beginning in June 2008.
